I have a meeting at 2:00, so would 1:00 work for you? Will you have a chance to get through the document by then?

Thursday is best day I have this week-tentative meeting but don't think I need to attend unless management directs. Shall we say 1:30 you give me a ring?

Hi Shayne,

Thanks for getting back to me. I'm glad you have time to review the report. Can we set up a time to discuss any questions you might have on Thursday?

Rhonda

Hi Shayne,

I spoke to you a month or two ago regarding the PHA we were writing for this site. Could you review the report and give me any feedback? I'm hoping you could get some comments back to me by next Friday 2/22.

I'm out of the office next week but Erin can answer any questions if you have them. Her email is attached.

Thanks,

Rhonda
